

ZenoxHeal DAO – Whitepaper v3.8 (Lite Version)

1. Introduction

ZenoxHeal is a next-generation wellness ecosystem that integrates Web2 and Web3 technologies to create a digital healing platform. Our vision is to make healing accessible, transparent, and interactive, combining traditional wellness with advanced AI and blockchain innovation.

2. Core Features

- AI-Driven Guidance: Personalized wellness paths powered by artificial intelligence.
- 3D Immersive Experiences: Interactive digital spaces to enhance relaxation, meditation, and energy alignment.
- NFT Membership: Web3 participants receive NFT-based badges that unlock governance rights and exclusive content.

3. Membership Structure

- Web2 Users (Monthly Fee): Access to simplified governance files (documents 1–6) and basic platform content.
- Web3 Members (Annual Fee + NFT Badge): Full access to governance and compliance files (documents 7–15), DAO participation, and advanced features.

4. DAO & Governance (Simplified)

ZenoxHeal DAO provides a decentralized governance framework for the platform. Web3 members can participate in community proposals and decision-making. (Note: Detailed governance rules are provided in the Full Version Whitepaper.)

5. Privacy & Compliance

ZenoxHeal collects only essential user information (email, payment records) for service purposes. Data will not be shared with external parties. Compliance and transparency remain our top priorities.

Disclaimer

This Lite Version Whitepaper is provided for informational purposes only. It does not constitute financial advice, an offer to sell, or a solicitation to buy any securities or tokens. All details regarding governance, investment, and compliance are described in the Full Version Whitepaper (Document No. 14).

Effective Date: August 24, 2025
